

INTENT TO SOLE SOURCE
Radio Repeater for Philadelphia, PA Location
SS-FSA-25-048

The Bureau of Fiscal Service (Fiscal Service), on behalf of the Fiscal Service (Fiscal Service) Emergency Preparedness Branch, intends to make award on a sole source basis to R. F. Design & Integration Inc. (SAM UEI K5B3KG4QPMW3), for “Radio Repeater at our Philadelphia location.

Fiscal Service (Fiscal Service) Emergency Preparedness Branch requires the following:

- Motorola SLR 5700 Repeater (403-470MHz) and miscellaneous hardware necessary for its installation.

The proposed contractor has conducted a site survey, is familiar with the facility and is located within one (1) mile of the facility. This facility is currently without reliable radio communication since their existing repeater has failed. The facility relies on radio communication for many things but most importantly they rely on it for security and the safe evacuation of personnel during hazardous events such as fire and active shooter.

The contractor’s close proximity and the fact they have been on-site to conduct a survey will greatly speed up the installation and return the facilities emergency communications. Putting this out for bid could significantly delay the return of their emergency communications since it would require site visits in order to make a proposal.

The period of performance for the purchase order is anticipated to be for a three (3) – year warranty on parts and labor.

NO SOLICITATION IS AVAILABLE. A request for more information will not be considered an affirmative response to this Special Notice. Telephone responses or inquiries to this Special Notice will not be accepted.

Qualified Contractors that feel they offer the same or similar product that can meet the Government’s need shall provide the following for consideration:

1. The name and location of your company, contact information, and identify your business size (Large Business, Small Business, Disadvantaged Business, 8(a), Service-Disabled Veteran Owned Small Business, HUBZone, or Women owned Small Business, etc.). Please ensure contact information includes the name of the point of contact, email address, and telephone number, should the Government have questions regarding individual responses.
2. DUNS/UEI Number.
3. Specific details of the product(s) that your company offers regarding this notice.
4. Whether your content is available through a government contract vehicle or Open Market.

5. A brief capabilities statement (not to exceed 5 pages) that includes a description of your company's standard line of business, as well as a list of customers to whom your company currently provides the specific required content.
6. Responses must include sufficient evidence that clearly shows your company can provide the content described in this notice.

Responses received will be reviewed; however, a determination by the Government not to compete the proposed procurement based upon responses to this notice is solely within the discretion of the Government. If no written response is received by the stated deadline, then Fiscal Service will proceed with making an award on a sole source basis to Gartner, Inc.
