**Notes:**

- The Bureau of the Fiscal Service will require all TAS to be reported in each reporting window, including double zero's.
- Certified agency bulk files submitted during the reporting window will be used to derive the quarterly intragovernmental reporting data. NOTE: Only certified data is used for Intragovernmental Reporting.
- \* Agencies must certify Expenditure TAS NLT October 20, 2025, 5 p.m. ET. OMB will import submissions as of this date into the PY column of the Budget Schedule P. Agencies may revise this data later in the window but must coordinate changes with their budget offices to ensure agreement between GTAS submissions and the Budget.
- The times included on the reporting window schedule represent when the bulk file flag will be turned on/off. The system will always be available for reports and analytics
- Fiscal Service will extract certified TAS balances October 20, 2025 after 5 p.m. ET for use in the Pre-Year-End Summary Report
- The purpose of the period extension window is to update ONLY proprietary USSGL account balances after the close of each quarterly window and is intended for reporting updates to facilitate intra-governmental eliminations. Only TAS that are in a Certified status will be granted an extension. No budgetary changes are permitted during this window.
- Fiscal Service will require Material Difference Explanations via GTAS for the final GTAS Submission; therefore, the differences that are required to be explained per I TFM 2-4700, Sections 4706.10 through 4706.45 will be done via GTAS during the Material Difference Reporting Window. The differences and required explanations will be based upon the final certified data present in the system on November 14, 2025.
