Federal law requires Treasury to withhold up to 15 percent of your monthly Social Security benefit payment because you failed to pay or otherwise resolve this debt.

How Can I Stop This?

Treasury will withhold up to 15 percent of your monthly Social Security benefit payment beginning no sooner than 11/2017, so you still have time to act. To prevent this collection action, you must contact the agency listed below and meet its requirements:

What Else Do I Need To Know?

- Only the agency listed under the "How Can I Stop This?" section can assist you in resolving this debt.
- Treasury may withhold funds from your Social Security benefit payment to collect more than one debt. If you owe more than one debt, Treasury will apply the amount withheld from your payment to each debt in the priority established by federal law.
- Funds will be withheld until the debt is resolved.
- Funds may be withheld from your other federal payments without additional notice.
- Treasury will not withhold funds from your Social Security benefits so that you receive less than \$750.00 each month.

This collection action is administered through the Treasury Offset Program (TOP). If you have questions about the Treasury Offset Program, please visit our website at www.fiscal.treasury.gov/TOP.
