

SUPPLEMENT

Section III

Comment section was updated to provide guidance on when to use USSGL account 299000. The Proprietary Entry was also updated to include a Credit to USSGL 299000 which was the correction of an error.

A189 To record a temporary reduction of new budgetary resources and fund balance in a trust or special fund expenditure account that was funded by an unavailable receipt account.

Comment: Post an increase in fund balance in the associated unavailable receipt account. Unlike reductions in available special and trust funds, there is no automatic appropriation of this authority in the following year. Treasury processes a warrant reducing fund balance in the expenditure account and increasing fund balance in the associated unavailable receipt account. Also post USSGL TC-A185 in the unavailable special or trust fund receipt account. Credit USSGL account 299000 if fund withdrawal does not occur simultaneously. For withdrawal of funds, see USSGL TC-A141.
